“The Presider’s Perspective”

And the LORD said unto Moses, Wherefore criest thou unto me? speak unto the children of Israel, that they go forward: (Exodus 14:15)

Welcome to our First Mid-Winter Convention!
We have Gathered for Purpose!

Moving Forward in Faith!

Holy Greetings to those gathered at this convention and to all the Saints of God in the Shield of Faith Fellowship of Churches. Despite chaotic times in the world today, God continues to lead His people from one victory to another! We are living proof that *no weapon formed against us shall prosper*. By the limitless power of the Holy Ghost, God’s people continue to move forward, just as Israel did in the Book of Exodus, chapter fourteen.

As Spirit-filled followers of Jesus Christ, we will continue to triumph despite Israel and Hamas, despite Russia and the Ukraine, despite resurgent health issues across America. Every challenge is for us an opportunity to see the glory of God manifested in our lives, in our homes and in our ministries. Accordingly, the theme for our Fellowship in 2024 is “***Moving Forward in Faith!***”

There is no retreat in the work of the Lord. Complex circumstances and difficult seasons are always followed by the manifested Glory of God in the lives of His people. Those who of us are in challenging moments are simply called to hold on, to keep trusting God and to continue declaring victory. As He did at the Red Sea, God will show Himself mighty on behalf of those who trust in Him. Israel had no victory behind them in Egypt! God instructed them to *move forward*, to walk into the Red Sea and cross on dry ground to victory!

Brethren, keep moving forward. Your victory is in your future, not in the past. God promises, “The glory of this latter house shall be greater than of the former, saith the LORD of hosts: and in this place will I give peace, saith the LORD of hosts.” (Haggai 2:9). There is victory ahead. Move forward!

Shield of Faith Fellowship of Churches Mid-Winter Convention 2024

"About the Mid-Winter Convention"

*Shield of Faith First
Lady, Bishop Marty
Alexander, D. Min.*

Welcome to an historic moment, the inaugural meeting of the Shield of Faith Mid-Winter Convention! For years we have convened each Spring at a date associated with Resurrection Sunday, but in 2023 God has allowed us to initiate two annual meetings, a Mid-Winter convention in January and our traditional Shield of Faith Annual Convention, now moved to June 5,6,7 &8 2024.

Because the Lord deserves our absolute best, as we enter this meeting, we are thinking of the Mid-Winter Convention as a time of *sharpening our swords*, a sort of *Workers-Conference* in which we come together for the purpose of training ourselves and worshipping the Lord in warm fellowship. In the Mid-Winter meeting we will challenge ourselves to rise to the level of "Best Practices" in every aspect of our ministries. It is our goal to serve the Lord with a quality of ministerial excellence that is second to none.

We have gathered to share ideas and to discuss "what works" in Christian ministry at this challenging hour. We gather to acquire a greater corporate anointing, praying for one another and challenging each other to rise to new levels of ministerial excellence. Where even *two or three* are gathered, there Jesus comes with His healing and reassuring presence. We will leave this meeting edified, strengthened, affirmed and connected to one another as never before. We aspire to live out our motto, **"More than a Fellowship – It's a Relationship"** in Christ Jesus!

“What SOF Fellowship Offers You”

(visit www.shieldfellowship.org)

We're together in ministry! Because pastoring God's people is a daunting responsibility, God has raised up the Shield of Faith Fellowship of Churches to assist and support pastors in leading biblically-sound churches and propagating a truthful, doctrinally-sound Word in these last days. This organization offers many things to assist the local pastor and undergird the local church, including the following –

We offer *ministerial and pastoral licensing* through the authority of our credible, ecclesiastical, federally-recognized organization which reaches across the United States and provides ministerial services to pastors and churches worldwide. We are a doctrinally-sound covering which allows affiliate churches to expand ministry impact through collaboration with others of like precious faith. Shield of Faith offers biblical, spiritual and ministerial education through our *Shield of Faith Bible College*, an online, accredited institution offering degrees and certificates at all educational levels in a wide variety of degree programs at www.shieldbiblecollege.org. Because of our special concern for the challenges youth and young adults are now facing, Shield of Faith is in the process of fully-developing our *International Apostolic Youth Network*, having already established connection with our affiliated churches in sixteen nations of Africa, four nations of Europe and in various states across the United States of America. One of our most valued benefits is our periodic *Pastoral Training experiences* through our recurrent Pastors and Leaders Institute sessions and also through training at our conventions throughout the year.

We now offer four annual conventions, two for the main Body (in January and June), one for Youth and Young Adults (YAYA is the acronym) and one for the women of Shield of Faith typically in the fall. Beyond that, there are diocese meetings which are held throughout the year in various parts of the country. The Missions Department of Shield of Faith is very active travelling often for ministry in several European countries and various nations on the continent of Africa. Because of strong missions activity, we are now developing our *Shield of Faith School of Prayer*, an international prayer coalition which will unite Shield of Faith ministries for spiritual warfare worldwide. Please visit www.sofschoolorprayer.org for more information and to participate. More than anything, this great fellowship offers connection with other pastors and gifted men and women in the kingdom of God, assuring that you are never isolated as you do ministry for the hour of our Savior, Jesus Christ.

“Good News Travels Fast!”

The Hand of God is Upon the Fellowship! There are a number of wonderful things happening at this time, by God's Grace. **IN LAS VEGAS** - We are pleased to see the dynamic work in the State of Nevada as recently consecrated Bishop Tommie Green and Bishop Ronald Thomas are connecting in ministry with a number of pastors and powerful churches in the dioceses in the city of Las Vegas. We congratulate the men of God for their productive and encouraging ministry efforts and pray for even greater accomplishments ahead. **IN AFRICA** - From Africa, we are happy to report that many new churches, pastors and bishops recently affiliated themselves with us after our recent trip to Tanzania and Kenya. Apostle Joseph Aigbe is leading an anointed work across the entire continent: He is a man of action and faith!

IN PAKISTAN AND INDIA - In the India subcontinent Bishop Stacy Edmond has ceded leadership to a our new Bishop-elect Marvin Wiley who is moving powerfully in the work of the Lord among believers and pastors in India, and Pakistan. By God's grace, Bishop-elect Wiley will be consecrated fully to the office of Bishop in our June convention this year. In addition, Pastor Victor Bobo will be designated Bishop-elect in June over the Shield of Faith work in The Philippines. Thank God for these dedicated men of God and for their committed wives who support them in prayer and effort. **IN THE PRAYER AND YOUTH MINISTRIES** the Prayer and Youth Ministries are powerfully anointed at this hour. God has given a vision to Apostle Alexander for the creation of international, world-wide ministry in prayer and also among our Youth and Young Adults. Minister Jimmel Banks and Elder John Thomas, Jr. are both moving under God's direction to create a powerful international connection among intercessors and young people. Minister Banks will connect intercessors in Africa, Europe and America in a strong worldwide **prayer network**, sharing prayer requests and seasons of intercession, and also conducting **schools of prayer** which will teach God people to pray more effectively. Elder Thomas is working with a powerful team to assemble the **International Apostolic Youth Network** which will function as a strong Body of Holy Ghost filled young adults and teens in all nations of the world, God willing. Please stand by for specific steps you can take to promote and participate in these God-honoring efforts.

From the Shield of Faith Fellowship of Churches International Executive Board, Administrator and entire staff, have a Blessed Christmas and we will see you January 11th & 12th.

Holiday Season Quiet Time

One of the most basic and natural methods for us to connect with God is through prayer. It is a powerful tool for quiet time. Jesus Himself made a daily ritual of seeking those kinds of private moments.

"Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed" (Mark 1:35).

Other activities can make our quiet times special. Reading the Bible, singing or listening to worship hymns and songs, and journaling our thoughts, questions or insights will help us slow down and sense God's presence. Even walks in nature or creating art will remind us of His blessings.

Whatever we do, the main goal is to make God the focus of our thoughts, and to seek to grow in knowledge of Him. In turn, we will experience more of our Heavenly Father and His love.

"I say to myself, 'The Lord is my portion; therefore I will wait for him.' The Lord is good to those whose hope is in him, to the one who seeks him; it is good to wait quietly for the salvation of the Lord" (Lamentations 3:24-26).

How Our Quiet Time Can Have a Positive Impact on Others

Though quiet time is a private thing for each of us, what we gain from it can end up blessing those around us, too. God wants us to both receive His touch and pass it on - and the holidays offer great opportunities to do that. We'll be filled up to overflowing so our every interaction this season can spread His love.

By keeping God's message of **salvation** in our hearts, we'll see the deeper meaning of such a busy season, and want to share it.

By celebrating God's **kindness** to us, we'll become more willing to handle stressful holiday moments or interactions better.

By reflecting on God's **love** for us, we'll feel a desire to reach out to family, friends, and neighbors during the season.

Things That Keep Us from Quiet Time (Especially during the Holidays)

As sweet as this season can be, it makes our world even more fast-paced. So if we're not careful, we can get caught up in the usual pre-holiday whirlwind and all that goes with it.

Conversely, some of us can feel especially alone during this time of year. If grief or depression has a hold, we can isolate ourselves and stop reaching out for the Lord.

But by seeking time with God, we're actually inviting Him to join us in those moments, whether they are happy, hectic or heartbreaking. Just being in His

presence aligns our perspective more with his and gives us the ability to face every challenge of the season with God's grace. Here are just a few examples of how we can bring faith into distracting situations:

Moments of Busyness

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him" (Colossians 3:17).

Moments of Stress

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God" (Philippians 4:6).

Moments of Overwhelm

"And my God will meet all your needs according to the riches of his glory in Christ Jesus" (Philippians 4:19).

Moments of Sadness

"...the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God" (2 Corinthians 1:3-4).

Moments of Fatigue or Sickness

"My grace is sufficient for you, for my power is made perfect in weakness.' Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me" (2 Corinthians 12:9).

Moments with Difficult People

"If it is possible, as far as it depends on you, live at peace with everyone" (Romans 12:18).

How to Guard Our Quiet Time

Be Intentional

Decide to protect your quiet time in some form, even when a busy schedule is calling for your attention. God is ready to respond to you.

"Come near to God and he will come near to you" (James 4:8).

Be Flexible

Have a willingness to shift your normal quiet time routine in terms of what part of the day or what activities you do. God is always near to you.

"Look to the Lord and his strength; seek his face always" (1 Chronicles 16:11).

Be Gentle on Yourself

Let go of any big expectations or judgment of yourself about how much quiet time you're able to have. God is delighted to be with you.

"I love those who love me, and those who seek me find me" (Proverbs 8:17).

Fit Quiet Time into Your Holiday Schedule

1. Wake up 15 minutes earlier in the morning to lift up a "good morning" prayer, asking God to walk with you, and even to help make your day's to-do list.

2. Use "waiting" time in the car or a line at the store to read one of the Old Testament prophecies about Jesus, or to pray for family and friends.

Sample Scriptures:

Isaiah 9:6, Isaiah 7:14, Micah 5:2, Zechariah 9:9

3. Tune your car radio to a Christian station, or keep Christmas worship music in your car's CD player to remember the real reason for our enjoyment of the season.

Sample CDs:

Guest Sanctuary Choir - The Majesty and Glory of Christmas

Steven Curtis Chapman - The Music of Christmas

David Crowder Band - Oh For Joy

Third Day - Christmas Offerings

4. Utilize a Bible app on your phone to read or hear the Nativity story to renew your awe about the Good News.

How to pass it on: Think about or write out how Jesus' birth has impacted your life, and tell someone else.

5. Turn your quiet time into fellowship time by asking others to join you for a relaxed session of study or worship.

How to pass it on: Invite others to share how knowing Jesus has blessed them.

God so wants to be in relationship with us that He sent His Son Jesus to make it possible. So, while it's important all year, now is in many ways the perfect season for us to set aside quiet time to celebrate the greatness and goodness of our Heavenly Father.
